AUGUST 29, 2025 | INDANG MULTIPURPOSE HALL

Cavite Career Caravan Brings employment opportunities to Indang

A total of 171 jobseekers participated in the Cavite Career Caravan held on August 29, 2025, at the Indang Multipurpose Hall, resulting in 24 applicants hired on the spot. The event was spearheaded by the Provincial Government of Cavite through the OPG-Office of the Provincial Public Employment Service Manager (OPPEM) in coordination with the Local Government Unit of Indang.

The caravan featured job openings from 37 local companies and 4 overseas recruitment agencies covering a broad range of industries and skill levels.

To further assist the applicants, several national government agencies were also present at the event, including the SSS, Philhealth, Pag-IBIG, PSA, DTI, NBI, TESDA, and BIR. These agencies provided support for applicants' additional documentary requirements and answered queries related to membership, registration, and government services.

DOT launches Philippine Golf Experience to boost PH tourism promotion

Clark, Pampanga — Positioning the Philippines as a premier golfing destination, the Department of Tourism (DOT) officially launched the first-ever Philippine Golf Experience (GolfEx) on Friday (August 29) at Clark, Pampanga, one of the country's emerging golf and leisure hubs—marking a major step in integrating golf into the country's tourism agenda.

GolfEx is a pioneering initiative of the Department designed to showcase the country as a premier golf destination. It is modeled after the DOT's flagship Philippine Experience Program: Heritage, Culture, and Arts Caravans (PEP) launched nationwide.

Tourism Secretary Christina Garcia Frasco led the ceremonial tee-off at the scenic Mimosa Plus Golf Course, where she was joined by Senator Lito Lapid, members

of the Diplomatic Corps, including Ambassador Abdul Malik Melvin Castelino of the Embassy of Malaysia, Ambassador Thai Binh Lai of the Embassy of Vietnam, Ambassador Marielle Geraedts of the Embassy of Netherlands, Clark Development Corporation President and Chief Executive Officer (CEO) Atty. Agnes Devanadera, Filinvest Hospitality Corporation Senior Vice President Francis Gotianun, and other golf

stakeholders from the tourism and business sectors.

"For many years, it has been a long-held desire to bring golf and tourism together in a way that truly unlocks their potential. We have always known that the Philippines—with its stunning landscapes, vibrant culture, and warm hospitality—together with more than a hundred world-class quality golf courses across our islands, has all the makings of a world-

DOST Region 2 Conducts Two-Day Monitoring of SETUP Beneficiaries in Cagayan

The Department of Science and Technology Region 02 (DOST), under the leadership of the Regional Director Dr. Virginia G. Bilgera, conducted a two-day monitoring activity for Small Enterprise Technology Upgrading Program (SETUP) beneficiaries in Cagayan Province on August 26–27, 2025.

DOST Region 02 Conducts Two-Day Monitoring of SETUP Beneficiaries in Cagayan

The Department of Science and Technology Region 02 (DOST), under the leadership of the Regional Director Dr. Virginia G. Bilgera, conducted a two-day monitoring activity for Small Enterprise Technology Upgrading Program (SETUP) beneficiaries in Cagayan Province on August 26–27, 2025.

The activity, organized by the Regional Project Management Office (RPMO) in collaboration with the Provincial Science and Technology Office (PSTO)–Cagayan and with the participation of the Commission on Audit (COA), was carried out to evaluate the progress of funded projects and ensure the proper use of government resources.

As part of the monitoring, the team visited project sites, validated

implementation milestones, and inspected equipment provided under the program. These efforts allowed the group to measure the impact of SETUP on local enterprises and to identify additional areas where support is needed to strengthen business competitiveness.

Since 2023, a total of 26 micro, small, and medium enterprises (MSMEs) in Cagayan have received ₱32 million

in SETUP support. With this assistance, enterprises have been able to adopt innovative technologies, boost productivity, and expand their market reach.

Through these initiatives, DOST Region 02 reaffirmed its commitment to continuously support MSMEs by providing regular monitoring, technical guidance, and science- and technology-based solutions to drive sustainable enterprise growth.

class golf destination. What was needed was a deliberate effort to place golf within our broader national strategy, not only as a sport, but as an experience that brings together play, culture, as well as community," Secretary Frasco emphasized in her speech.

The tourism chief said that under the Marcos Administration, the DOT pivoted to an innovative approach that not only counts the country's tourist arrivals but also puts a premium on measuring the value of tourist offerings.

"Tourism, after all, is not only about how many people have arrived, but rather about how many livelihoods it sustains, how many enterprises it strengthens, and how deep the pride of place it nurtures across our communities. Golf captures this most beautifully—for when done sustainably, golf is a high-value, low-impact form of tourism that draws travelers to stay longer, spend more, and engage more deeply with our destinations, not to mention come back again and again," she noted.

With the presence of partners from the public and private sectors, as well as members of the Diplomatic Corps, she said that the event strengthens partnerships among all stakeholders by likewise campaigning for the Philippines as a

destination for tourist source and opportunity markets.

Furthermore, the Secretary described that the launch of GolfEx in Clark "is no coincidence" as the emerging leisure golf and leisure hub now has a world-class international airport and facilities.

Clark ready to host major golf tournaments and other sporting events

For her part, Atty. Devanadera expressed confidence in Clark's readiness to host major golf tournaments and other sporting events.

"Clark is ready for the golf tournaments and all kinds of sports tournaments, and we would like to inform you, and to show you, that the secret here is synergy—synergy among the locators, synergy with the government agencies, synergy with our foreign friends, and above all, the leadership of the Department of Tourism, under, of course, the guidance of our President," she said.

Also present at the kickoff event are Global Tourism Business Association (GTBA) Founder and Chairman Michelle Taylan, Tourism Congress of the Philippines President (TCP) James Montenegro, and DOT Undersecretaries Shahlimar Hofer Tamano and Ferdinand Jumapao, Tourism Infrastructure and Enterprise Zone Au-

thority (TIEZA) Chief Operating Officer Mark Lapid, Assistant Secretaries Judilyn Quiachon and Ronald Conopio, Director for Golf Tourism Lyle Uy, DOT-3 Regional Director Richard Daenos, and other officials of the DOT Central and Regional Offices.

The event highlighted basic golf lessons facilitated by the Professional Golfers Association of the Philippines, Inc. (PGAP) through the Mimosa Plus Golf Academy. While the members of the Diplomatic Corps, professional golfers and enthusiasts, engaged in an 18-hole friendly golf tournament, allowing them to experience the country's world-class golf facilities and scenic courses.

On its second day (Aug. 30), delegates were introduced to key landmarks such as the Parade Grounds, Fort Stotsenberg, Centennial Barn Houses, and the historic White House through a rolling tour. Participants were also oriented with Clark's modern attractions, including Aqua Planet, Clark Safari, Sun Valley Golf and Country Club, and the world-class Clark International Speedway, along with major developments such as the Clark Multi-Specialty Hospital Site and the newly opened Clark International Airport Terminal.

'BAD BOY' IN ETHICS COMMITTEE

Out of all the 24 senators who took their oath of providing service to their nation, one of them was a television star being considered to take the position as the Chairman of the Committee on Ethics and Privileges. And he was an ex-convict.

On August 11, Senate Majority Leader Joel Villanueva shared that Senator Robin Padilla—famously known as the “Bad Boy” of Philippine cinema—is being considered to head the Senate Committee on Ethics and Privileges. However, Villanueva clarified that the appointment isn't final yet, as it still needs to be approved by the plenary.

Villanueva also floated the idea of Padilla possibly leading the Senate Committee on Constitutional Amendments and Revision of Codes to Senator Francis “Kiko” Pangilinan, but noted that having a legal background, specifically, being a lawyer, is also an important factor in deciding who should take on the role.

As stipulated on the Senate's website regarding the powers vested upon the Committee on Ethics and Privileges and to its Chairman, the body has “jurisdiction on all matters relating to the conduct, rights, privileges, safety, dignity, integrity and reputation of the Senate and its Members.” The Chairman, however, has the jurisdiction to designate its Vice Chairperson, appoint subcommittees, hold special meetings, and punish/cite in contempt any witness before the Committee who refuses to testify to a proper question by the Committee or any of its members.

With the power given to being a chairman of a committee, the question that continues to loom along the lines of morality and popularity, is Robin Padilla the right candidate for the committee's chairmanship?

Well, his records tell otherwise. While most of his “Bad boy” portrayals as an actor in his films, starting from 1985 down to 2022, projected, or as what the Gen Zs are calling it: foreshadowed, perhaps, in his real-life events.

In 1992, Robin was apprehended by authorities in a hit-and-run accident that led to a discovery, upon car inspection, of several firearms with reported live ammunition. He was sentenced 17 to 21 years in prison for illegal possession of firearms in 1994, but was granted by conditional pardon by then-president Fidel Ramos in 1998, and now, after he supported and campaigned the past Duterte administration, Padilla then received from

Duterte's post an absolute pardon – completely restoring his civil and political rights like nothing happened – allowing him to run as a senator in 2022 senatorial race.

Following his controversy in 1992, his wife, Mariel Padilla, was seen having an IV drip session inside the Senate last February 22, 2024. This controversy was clearly a disrespect and dishonouring of the office's formality, where Robin only laughed off the misconduct as a response. How about him being called out countless of time by senators for his lack of decorum, for example, the plenary session on May 16, 2023, where Sen. Joel Villanueva pointed out the concern to observe proper decorum in the Senate after the misused of words made by Robin Padilla in answering the legislators; and the combing of his mustache when Senator Raffy Tulfo was giving his privileged speech during a Senate hearing on May 15, 2023?

Although there was still more to illustrate in providing unethical cases that Robin Padilla was involved, like his former Senate staff, Nadia Montenegro, who was included in the incident report made by Senate Office of the Sergeant-at-Arms (OSAA) that explains the alleged use of marijuana inside the premises, then later resigned; and when the same person who pointed out his concern for a lack of decorum

in the office, Joel Villanueva, was also the one who “almost came into blow” with Padilla regarding the hearing on VP Sara's impeachment last June 10, 2025 – it only means one thing: recalibration of the imposed qualification on who are responsible and best fit to run for the office.

Because by virtue of service and right conduct as lawmakers and legislators of policies, there should be a deep and real understanding of how to be a good, responsible, and ethical leader, first and foremost, especially if you will be the one to head the ethics body.

It's ironic for someone with a history of unethical conduct to be the head of an ethics body, especially when they secured the position based on popularity. The integrity, accountability, and public trust that a person builds over the years are sacrificed every time we choose a popular figure from the entertainment industry.

The legislative office is not a laughingstock or a form of entertainment.

There should be a clear distinction between being a celebrity and a legislator, once and for all. Reconsideration is not the solution; instead, the requirements for becoming a legislator and the qualifications for committee chairs should be recalibrated.

Magpapayat ng Tamang Paraan

1 Sa mga nanay, sa palengke pa lamang piliin ang mga karne na konti lang ang taba. Ihiwalay ang taba sa laman bago pa ito iluto.

2. Mas healthy ang pag-ihaw at pag-steam ng pagkain kaysa sa laging pag-prito sa mantika. Puwede mag-ihaw ng karne o mag-steam ng mga gulay tulad ng talong, okra at talbos. Kung gusto ng healthy na sawsawan sa gulay, subukan ang suka, na nakapapayat pa.

3. Sa paggamit naman ng mantika, konti lang ang ilagay. Tandaan natin na may calories ang mantika at puwede itong magpataas ng inyong kolesterol.

4. Sa pagtimpla ng pagkain, hinay-hinay lang sa paglagay ng asin. Ang asin ang kalaban ng mga may altapresyon at may sakit sa puso. Kapag sobra ka sa asin puwede kang mag-high blood at magmamanas pa ang inyong paa.

5. Kapag naghahanda ng pagkain, bumili nitong maliit na plato. Ito iyung 9 inches na plato at huwag bumili ng 12 inches. Kailangan masanay ang ating pag-iisip na konti lang ang iyong isasandok na pagkain.

6. At kung ano ang inilagay mo sa plato, iyon lang ang kainin. Bawal ang dukut-dukot o second serving.

7. Bago mag-umpisa kumain, puwede ka munang uminom ng 1 basong tubig para mabusog ka ng kaunti. Puwede ding uminom ng clear soup. Kapag uminom tayo ng mga likido, medyo nakukumbinsi natin ang ating utak na nabubusog na tayo.

8. Magbawas sa pagkain ng kanin. Kung dati at 2 cups ng kanin ang kinakain, gawin na lang 1 cup rice.

9. Huling payo. Dahan-dahanin lang ang pagpapapayat. Huwag gutumin ang sarili. Kumain ng pakonti-konti sa buong araw, tulad ng mansanas, saging o pandesal, para laging may lamang ang inyong tiyan. Good luck po.

the sector.

Mr. Paul John Profeta, Amadeo LGBTQIA+ President, set the tone with his message, stressing the value of respect and empathy shown to every gender.

Likewise, Hon. Jojo Domingo expressed his hope for openness and understanding among his constituents, saying "Sana po sa bayan ng Amadeo, magkaroon po tayo ng openness. Bigyan ng panahon ang mga sarili para makilala ang isa't isa". He, then, acknowledged and lauded the contributions of the LGBTQIA+ sector in their municipality.

Following, Dr. Melinda Villanueva of Amadeo Rural Health Unit provided a lecture on Human Immunodeficiency Virus (HIV), tackling the phases and prevention, and dispelling the myths and misconceptions about its transmission. She also added the importance of community awareness and support in combating the virus.

Thereafter, Mr. Leo Vidallon, a proud LGBTQIA+ member, shared his success story and reminded the youth members to embrace their true selves.

"Para sa mga kabataang LGBTQIA+ at mga nangangarap, hindi ninyo kailangang baguhin ang inyong sarili para magtagumpay. Hindi ninyo

kailangang pilitin ang sarili sa kung anumang hindi ninyo kailangang itago ang katotohanan. Kailangan ninyong maging matapang upang maging ikaw", Mr. Vidallo emphasized.

On the second leg, held at Maragondon Municipal Covered Court, the program commenced with Mr. Mark Reden Digma, Officer-in-Charge of MSWDO-Maragondon, appreciating the presence of everyone at the event that made the celebration possible. It was followed by Municipal Councillor Carlo Gestiada's message of gratitude for the collective effort of the province in creating a space of inclusivity for the LGBTQIA+ members.

Subsequently, on behalf of Governor Abeng Remulla, Ms. Ekeiko Sadang, Division Chief of Community Based Operations Division, conveyed an inspirational message, reminding everyone of their worth regardless of their gender.

"Ito ay isang pagpapatunay na ang ating kasarian ay hindi hadlang upang tayo ay magkaroon ng importansya sa ating bayan. Make your presence felt and known", she stressed as she encouraged the members to actively participate in such programs.

Ms. Haydelisa

Maderazo, Provincial HIV Program Coordinator, then, discussed the HIV, AIDS and STI presentation, raising awareness of its differences, prevention and control. She also encouraged the participants to take the screening test to ensure the health and wellness of everyone, even those outside the LGBTQIA+ sector.

Another success story was featured with Mr. Lorraniel Chris Victoriano, a LGBTQIA+ member working as a government employee at the MSWDO-Maragondon, sharing his journey towards success and inculcating a sense of courage in the participants in pursuing their desired dream.

"Ang pagiging successful natin has no gender, no boundaries, no orientation. Success is possible for anyone who dares to dream and works for it", he stated.

The two-leg caravan was an avenue of inclusivity, acceptance and equality. It offered various services from various agencies, including the Department of Trade and Industry-Cavite, Office of the Provincial Health Officer, Office of the Provincial Public Employment Service Manager, Office of the Provincial Cooperatives Development Officer, Office of the Provincial Legal Officer and Office of the Provincial Agriculturist, to empower all genders in the province of Cavite. **(J. Day 1 of RSTW opened with thematic events showcasing the power of STI. Handa Pilipinas Rehiyon Dose highlighted science-based resilience for safer communities, while PRO-PEL the Future provided a platform for startups, innovators, and entrepreneurs to accelerate technology commercialization.

On Day 2, DOST Secretary Renato U. Solidum Jr. graced the event, underscoring the Department's vital role in delivering science-based solutions to protect lives, safeguard livelihoods, and secure development gains. "It is important that we understand the problem. If we don't understand the problem, maybe our interventions may not be enough," he stressed during Handa Pilipinas Rehiyon Dose.

Major highlights included the launching and MOA signing of the S M A R T - E R S O C C S K S A R G E N Project, awarding of the 2025 Best CEST and Best SETUP regional winners, the converted electric tricycle (CTrike) project in Cotabato, the MOA signing for two 10+1 seater all-electric tourist trams, and the launch of the AI Bayanihan Challenge. These initiatives reflect DOST's commitment to clean technologies, smart mobility, and inclusive digital transformation.

Throughout the three-day celebration, participants explored forums and exhibits showcasing advanced technologies such as Artificial Intelligence, Internet of Things, and digital ecosystems, alongside grassroots-driven inno-

vations. The RSTW underscored that building smart and sustainable communities begins with people — with inclusivity, accessibility, and dignity for all at its core.

The 2025 RSTW in SOCCSKSARGEN concluded with a reaffirmation: the event is not merely a celebration but part of a continuing mission. Each partnership, program, and initiative demonstrated how science, technology, and innovation address pressing challenges such as climate change, digital transformation, and inclusive economic growth.

By positioning STI at the heart of resilience and progress, DOST XII strengthens its role as a catalyst for communities that are not only technologically equipped but also sustainable, future-ready, and anchored on compassion and inclusivity. **(Nelson Santos)**

capacity building requirements, the process of filing a GI application, and best practices, ensuring that stakeholders are well-prepared to comply with standards and documentation.

A Geographical Indication (GI) is a form of intellectual property protection that identifies a product as originating from a specific place, where its quality, reputa-

tion, or unique characteristics are linked to its geographic origin. For Camiguin, having the Lanzones recognized under GI will safeguard its authenticity, protect farmers from imitation, and give the product a market advantage. It will also help increase the value of the fruit, support farmer income, and open more opportunities in both local and interna-

tional markets.

The session was attended by experts from IOPHL, Engr. John Paul Yu, Atty. Irma Morcillo, and Ms. Emmelina Masanque, and Ms. Jerace Tabalba of DTI Camiguin, who shared valuable insights and guidance for this undertaking.

This initiative reinforces DOST Camiguin's commitment to empower local farmers, enhance product value, and secure Camiguin Lanzones' place in the global market through intellectual property protection.

Mr. Timothy Joshua Vargas, President and Co-founder of Mobility Vision+, showcased smart mobility solutions that leverage digital platforms and data analytics to improve transportation efficiency in cities.

Dr. Audy R. Quebral, Project Leader of eTram and CEO of Aparri Campus, discussed the development of an eco-friendly transport system aimed at cutting carbon emissions and supporting sustainable urban growth.

These presentations were followed by an engaging open forum where participants exchanged ideas on blending science, culture, and technology for sustainable progress.

R&D Summit 2 centered on community-focused research tackling social welfare, disaster preparedness, and agriculture.

Dr. Noel S. Gunay of Mindanao State University-General Santos introduced "ItWatcher," an AI-powered 24/7 traffic monitoring system designed to enhance road safety and traffic flow in General Santos City.

Dr. Mary Jane K. Balawag of Notre Dame University presented her study on the psychosocial impact of maternal incarceration on children, highlighting the need for stronger social support systems.

Engr. Christopher A. Benito of the University of Southern Mindanao presented the "USM Center for Flood/Landslide Preparedness and Mitigation," a project aimed at strengthening community resilience through disaster risk reduction and early warning systems.

Dr. Edward Barlaan showcased his research on cacao varietal fingerprinting, which identifies high-yield and quality cacao varieties to improve farmer productivity and preserve traditional Philippine strains.

The session concluded with a strong call for collaboration among academe, government, industry, and communities, underscoring that addressing real-world challenges through innovation requires collective effort. **(Alex P. Josol, Cathy Q. Cat and Amirel Mamacotao)**

HOW TO PLAY: Sudoku puzzle is made up of a 9-by-9 grid with nine 3-by-3 sub-grids called boxes. There are 9 rows, 9 columns and 9 boxes in every puzzle. The object of the game is to fill all squares in the grid with the correct number.

The rules are: • Every row, column and box must contain all the digits 1 to 9.

• Each number can only appear once in every row, column or box.

• Every puzzle has only one correct solution!

Did You Know?

THE HUMAN STOMACH CAN DISSOLVE RAZOR BLADES

Talk about a bizarre feature of the human body: If you happened to swallow a razor blade, your stomach acid would dissolve it. Acids are ranked on a scale from zero to 14—the lower the pH level, the stronger the acid. Human stomach acid typically has a pH of 1 to 2, which is incredibly strong. In a study published in the journal *Gastrointestinal Endoscopy*, scientists discovered that the “thickened back of a single-edged blade” dissolved after two hours of immersion in stomach acid.

That said, we wouldn't recommend swallowing one. Dissolvable or not, razor blades are still dangerously sharp.

Statement of the Dayang Family Four Months After Journalist Johnny Dayang’s Assassination

On this day, August 29, the Church commemorates the Martyrdom of St. John the Baptist, who was executed for speaking truth to power and refusing to remain silent in the face of wrongdoing.

Exactly four months ago, on April 29, our father, veteran journalist Johnny Dayang, met a similar fate. He was assassinated for being a fearless voice of conscience, a man who dedicated his life to truth, and someone who never compromised in his duty to inform the public. Like John the Baptist, he unsettled those who
